SMP-Square Mesh Pipe Vertical Vegetation Living Walls

SMP-Square Mesh Pipe Vertical Green Fence - Installation Guide

Easy to Install & Maintain, Low Cost

5 Irrigation Drip System Installation

2 Fill With Planting Mix

1 Assemble Mesh Pipe Modules

SMP-Square Mesh Pipe - Vertical Green Wall Features

SMP-Square Mesh Pipe has a high-density mesh structure that roots can cling and grass can grow densely in vertical applications. Square Mesh Pipe combined with regular drip pipe provides a low cost irrigation solution for vertical walls.
